Foreword

The well-informed reader on Irish literature will, no doubt, miss the enumeration in detail, of the individual writings of standard Irish authors, from this list. To have included them would have swelled the bibliography to undue proportions, and our plan originally contemplated reference only to books about Ireland and the Irish people in general.

The items given here, by no means exhaust the collection but suggest what one small library can do with a subject of this type, when approached in a spirit of good will, simple scholarship and without prejudice.

Few people are probably aware of how full the history of Ireland is, of romance, of noble and exalted examples of heroism, as well as of pathos and of tragedy. It affords a surprisingly interesting field for the student of history, politics, language, government antiquities, folk lore, legends and the fine arts.

For over a century back it has been a hot-bed of continual uprisings and revolts. Yet travellers who have seen the green hills and the dales of Ireland, its beautiful waters and fertile plains, the thatched cottages and the simple earnest people who live in them are enthusiastic and charmed and speak of it as a most beautiful and favored land, where peace, contentment and prosperity should lie down at every door.

The wonderful fighting character of the race though crushed and bleeding and scattered throughout the earth, with its men of genius, courage, wit and learning; and its women of fine mental and moral calibre, have at least won the admiration and respect of mankind the world over.

It is good to have a list of books like this, for both old and young, for handy reference—since the history of Ireland is "making every day more and more prominent in the public vision."

READING LIST OF BOOKS

ON

IRELAND AND THE IRISH PEOPLE

HISTORY; POLITICS; GOVERNMENT

Anderson, Sir R. Sidelights on the home rule movement. 1906. 941.5—An22

Argyll, G. D. C., 8th duke of. Irish nationalism. 1893. 941.5—Ar32

Balfour, A. J. Aspects of home rule. 1913 [1912]. 941.5—B19
